COVENANT OF BEHAVIOR FOR CHILDREN

The one who is great... loves God, doesn't brag, says I'm sorry, doesn't argue, and serves others.

We will do our best to live like that during Vacation Bible school. We will respect each other. We will take care of property and clean up after ourselves. We will listen when leaders are talking. We will participate with others in order to learn and will help create an environment where others can learn.

If a child chooses not to be respectful, the following steps may be taken:

1. Child may be reminded of expectations and guidelines for appropriate behavior according to his/her developmental level.
2. Child may sit out the next (20 minute) activity with adult supervision in the church office.
3. Parent/guardian may be called and child may be sent home.
4. We will love and forgive the child and will invite him/her to try again the next day.

The one who is great...
