One of the songs in today's worship service is called **So Will I**. Here are a few of the lyrics:

*I can see Your heart eight billion different ways
Every precious one a child you died to save
If you gave Your life to love them so will I*

Think about what those words mean to you.

Compelled-- Pastor Polly's conversation with Penny Leonhardt

God's grace is with you from the very beginning, even before you recognize it. God is faithful. Along your journey, God will give you people to help you. Can you be a helper to others, too?

Today's **Benediction** is spoken by Jason Weaver, Director of Youth Ministry.

The word Benediction comes from the Latin words **Bene**, meaning "good" and **Diction**, meaning "words." The purpose of a Benediction is to ask for God's help, blessing, and guidance as we go forth.
